10/1/78

Dear Marc,

Relet 28, here are the Braden documents I've received from the FBI files of the Dallas Filed Office of the FBI.

I'd discussed them with Bud. He said he'd be stopping off to get and discuss them.

Please tell him that you asked for them and that I've sent them to avoid his taking the time unnecessarily, unless he wants to discuss them further.

Best,
